

# Hizkia Elsadanta

Going to college didn't stop me from working. I have a strong motivation to want to learn new things. As an energetic and fresh first semester student, I am interested in starting and entering the world of work.

## Work Experience

### Online Shop Business Owner

#### Accessories Seller | 2018

I started in the business field since high school. I started it with open an online shop. I have learn many things from this field. I learned how to market a product creatively and serve customers with a good attitude.

### Online Shop Business Admin

#### App Seller | 2020-2021

The pandemic period didn't stop me from working. If you have a motivation of yourself, there will always be a way. One thing what I learned from being a admin seller is the impotance of having good attitude. Maintaning a good relationship with customers will foster a sense of c
